	1511 The Word of God..... To say that the Bible is important is an understatement. Indeed, it is central to every part of Christianity. But why is it important? From where did it come? How can you understand it? Does it apply to you? The answers to these questions are vital to your continued spiritual growth. The Bible is God's communication to you. You need to learn to understand the Bible and apply it to your every-day life, and there is no better place to learn about it than from the Bible itself. What do you measure things against to make your decisions about what is right and wrong? Many people are living miserable lives because they are confused about what guidelines to use for their life decisions. God gives us a measuring stick that is unchanging, the Bible. Because God is our authority in every area, we need to make sure that we know what His Word says, and strive to make it our authority in every area of life. "For thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else." Isaiah 45:18	\$4.50

Written by former staff members, this books starts with the early vision, exploration, and launch of two group homes on a rural campus in 1976. Over the years, three homes were added, and seven faith-based programs were developed. Programs include counseling in a Residential Care setting; a unique program for Pregnant Teens and Teen Moms; training and placement in Foster Care; domestic and international Adoption; and preventive and follow-up Home-Based Services. Students attend an on-campus fully accredited school housed in a state-of-the-art facility named Gateway Woods School. A teen/adult mentorship program (LARC) serves to integrate young adults into the work world. With over 250 photos and illustrations, this indexed history is enlivened with personal stories of spiritual strength in staff and schildren alike in overcoming the challenges of abuse, neglect, abandonment, and addictions.
